

## GUIDE: Create your own TOP10 list

Log in to the portal <http://jfp.csc.fi:8080>, sign in with your HAKA credentials or Create an account.

1) Find the publication channel for example by its name.

2) Publication channels can also be searched e.g. by Publication Forum level and/or by field of science.

3) Click on the cog icon in front of the name of the publication channel and select Add to TOP 10 list.

Search

Publication Forum level
